

Credit Card Performance Overview

Transaction & Customer Insights

Card Performance

Blue Cards consistently outperform other card categories in total revenue contribution.

Channel Usage

Swipe-based transactions dominate overall revenue, highlighting strong in-store spending behavior.

Customer Segment

Middle-aged customers form the most valuable segment based on transaction value.

Seasonal Trend

Transaction volume and revenue peak during Q3, indicating seasonal spending patterns.

Strategic Opportunity

Focusing on high-performing card categories and channels can unlock further revenue growth.
